Sooners Determined to Get Sweet Revenge on Kendall

Still Smarting From Stinging Defeat Administered by Them Last Season.

O. U. HOPES FOR BIG SCORE

Owen's Lineup Same as for Razorback Game Plus Real Quarterback.

Special to The World.
NORMAN, Okla., Nov. 19.—Revenge for that 14 to 6 defeat last year is the goal of the University of Oklahoma Sooners in preparing this week for the annual gridiron contest with the Henry Kendall college, scheduled for next Saturday at Norman. The team returned Sunday and Monday took up its strenuous practice again. That 9 to 0 game at Fort Smith has spurred on the team in a determination to defeat decisively Kendall and the Oklahoma Aggies, the two remaining opponents.

Kendall last year invaded Norman at a time when Oklahoma football prospects were the rosiest in years. Several veterans were on the team and the new material looked exceptionally good. When the Kendall team left that night it had defeated the Sooners 14 to 0, and had injured enough players to ruin the chances of the team to win any more big games that year.

Captain Montgomery, star end, received a broken arm. That was his last football game. Hap Johnson, heady quarterback, suffered an injured side from which he did not recover until the Arkansas game, the next to the last of the season. Texas, Missouri, Kansas, and the Kansas Aggies all trounced the Sooners, and every Sooners fan still believes the Kendall team was the cause of those defeats.

Oklahoma, therefore, will take delight in trouncing Kendall next Saturday by as large a score as possible. After the decisive defeat of Kendall by the Oklahoma Aggies Saturday the Presbyterians do not look very strong to the Sooners.

The line-up of the Sooners for the final two games of the season probably will be the same as in the Arkansas game except that the coach will endeavor to make a quarterback out of either McDermott or Graham. If McDermott becomes quarterback, Boyle or Graham will fill the half-back position made vacant by the shift.

KENDALLS WILL INVADE O. U. CAMP SATURDAY

Locals Out to Practice for Meeting With Owen Men at Norman.

Claiming no alibi the Henry Kendall football team returned Sunday from Stillwater where they were defeated 41 to 2 by the Aggies last Saturday. With the exception of Springer and Gale they were all out and were put thru hard practice by the coaches.

Next Saturday they meet the Sooners at Norman and close their season here on Thanksgiving day with Phillips University. None of the players were seriously injured during the Aggie game and the coaches believe they will be in good condition for the Sooners Saturday.

McBride and Mefford spent the greater part of practice yesterday on the line. Kendall's first line of defense has proved its weak part of the eleven and has caused the downfall of the team in all its games this year. The Aggies had no difficulty in plunging thru it for big gains. This also caused the defeat at the hands of the Denver university here two weeks ago.

Captain Gallager of the Aggies also proved to be too fast a man for the Kendalls to catch. He circled the ends for big gains many times during the game Saturday.

While the local supporters of the Kendall crew are not so optimistic about their chance with the Sooners Saturday they are sure they believe the Kendalls will make a better showing against them than they did with the Aggies. Scrimmage with the high school team will be held on the Kendall field this afternoon.

High School Players Will Scrimmage With Kendalls
Good, Hard Workouts Planned for Locals in Preparation for Final Games.

Facing their final game of the season at home next Friday afternoon, the Tulsa High school football team will scrimmage with the Kendall squad every afternoon this week as a preparation for the fracas. Okmulgee will be played at Association park Friday and Muskogee the final of the season at Muskogee on Thanksgiving day.

After the defeat of Haskell by such a large score last Friday, the coach believes that his squad needs a more aggressive team to practice with and will take advantage of practicing with the Kendall players. Both Okmulgee and Muskogee are expected to be hard games and Tulsa is anxious to make a clean sweep of both of them.

Americans in Moscow Safe.
LONDON, Nov. 19.—Robert P. Skinning, the American consul general, has received a telegram dated Saturday, from the American consul at Moscow, saying that he and other Americans in Moscow are all safe. The city was quiet at the time but there had been much fighting, the message said.

WAR MAKES CHANGE IN AMATEUR ATHLETIC RULE
Competitive Contests May Be Held with Professionals Without Losing Rank.

ST. LOUIS, Mo., Nov. 19.—The board of control of the Amateur Athletic union today adopted an amendment to the rules permitting amateur athletes in army and navy camps to compete with professional athletes in the camps without losing their amateur standing; appropriated \$5,000 to promote athletic activity at the camps and eliminated registration fees for athletes that take part in contests at the cantonments.

The money will be used to buy medals for athletic winners. The board voted also to expend additional sums deemed necessary to encourage athletics among the men in the national service.

The board rejected an amendment providing that athletes engaged in playground activities during the summer months might retain their amateur standing.

The athletic records submitted by the record committee were approved with few exceptions. In the case of Clinton Larsen, of Brigham Young university, who made a running high jump of six feet 7.5 inches at Provo, Utah, on June 1, 1917, the board ruled that the mark was made in exhibition and not in competition and therefore could not be allowed as a world's record.

The board recommended that hereafter no noteworthy performance be recognized unless they equal or excel previous records made under similar conditions.

M'NEIL SAYS JACKSON IS RIPE FOR KNOCKOUT

Puryear's Opponent, Who Has Two Wins Over Nate, Makes Brilliant Showing.

Those who witnessed the workouts of Benny McNeil at the Crescent Athletic club yesterday afternoon were astonished by the wonderful showing he made against the heavy sparring partners. McNeil, who will mix with Earl Puryear, popular bantam of this city, in the 15-round feature event of the Crescent Athletic club tomorrow night, showed himself to be one of the swiftest boxers that has ever appeared in Tulsa.

He is down to weight and has trained hard for the meeting with Puryear. He will have a natural advantage of height and reach on the local fighter, and unquestionably will prove the hardest opponent that Puryear has ever met.

Puryear Playing Wise.
Puryear has been playing safe since his scrap with Azine last week, which he won at the end of the 12th round, and has put in one of his hardest weeks training. There is probably not a boy in the country that would boast his stock for the championship like a victory over McNeil. The Englishman has met Kid Williams, former champion of the world, four times and has stayed with him thru the final bell of every mill. As proof that he has a punch he has knocked the former champion down five times during these scraps.

McNeil Favorite.
Owing to his record McNeil will be a favorite in his match with the local tomorrow night. He stopped Jimmy Azine in seven rounds, while Azine stayed 12 with Puryear and then forfeited the match on account of an injury to his hand. It looked certain that that Puryear would have got him if the match had continued.

Nate Jackson, who halves the spotlight with Puryear as the leading bantam in Oklahoma, is another boy that McNeil and the local boxer have met. Puryear and Jackson have met several times over the 15-round rule and neither has been able to show enough edge to give a decision other than a draw. McNeil has met the Oklahoma City fighter two times, and both emerged victorious. Both of these events were ten-round affairs and Jackson took an awful beating in the final one at Oklahoma City about two months ago.

If McNeil shows that he is the master of Puryear tomorrow night an attempt will be made to match him with Jackson for the next program of the club on Thanksgiving. McNeil has an offer to tie up with Kid Williams at Denver on Thanksgiving, but it is not just a match with Jackson would appeal to him since he is sure he can floor the Oklahoma City lad in a 15-round meeting.

He thinks that Jackson is ripe for the count and naturally is anxious to annex Nate's scalp to his record.

INVESTIGATORS MAKE BIG BOOZE SEIZURE
Seven Casks of Real Beer Found in "Dutch" Weete's Place East of Town.

The word "alleged" doesn't go in telling about the seizure of beer made yesterday afternoon by investigators working out of the county attorney's office. It was real beer, said they, and possessed the requisite analysis made of the same brand.

With W. N. Ellis, deputy United States marshal, who has been with the party in nearly every raid made in the past two weeks in the campaign to put Tulsa county dry, Constable Gregory and E. S. MacQueen, investigator for the county attorney, invaded the premises of one "Dutch" Weete, three miles east of Tulsa and a quarter mile north of the Dawson road, yesterday afternoon.

The net result of the trip was seven casks of beer, labels torn off, and with brand on the barrels signifying that the contents of the bottles was as harmless as water. Each cask contained 120 pints.

Weete, according to MacQueen, stated that he has been distributing the beer to a number of places near Tulsa. More than one hundred casks of empty bottles were found in a small stable near the house. The beer itself was in the house.

The liquor was shipped to Dawson, where the casks being consigned to the "B. & M." Produce company.
